# REFEREES

**Mr. Joe L. Farmer**

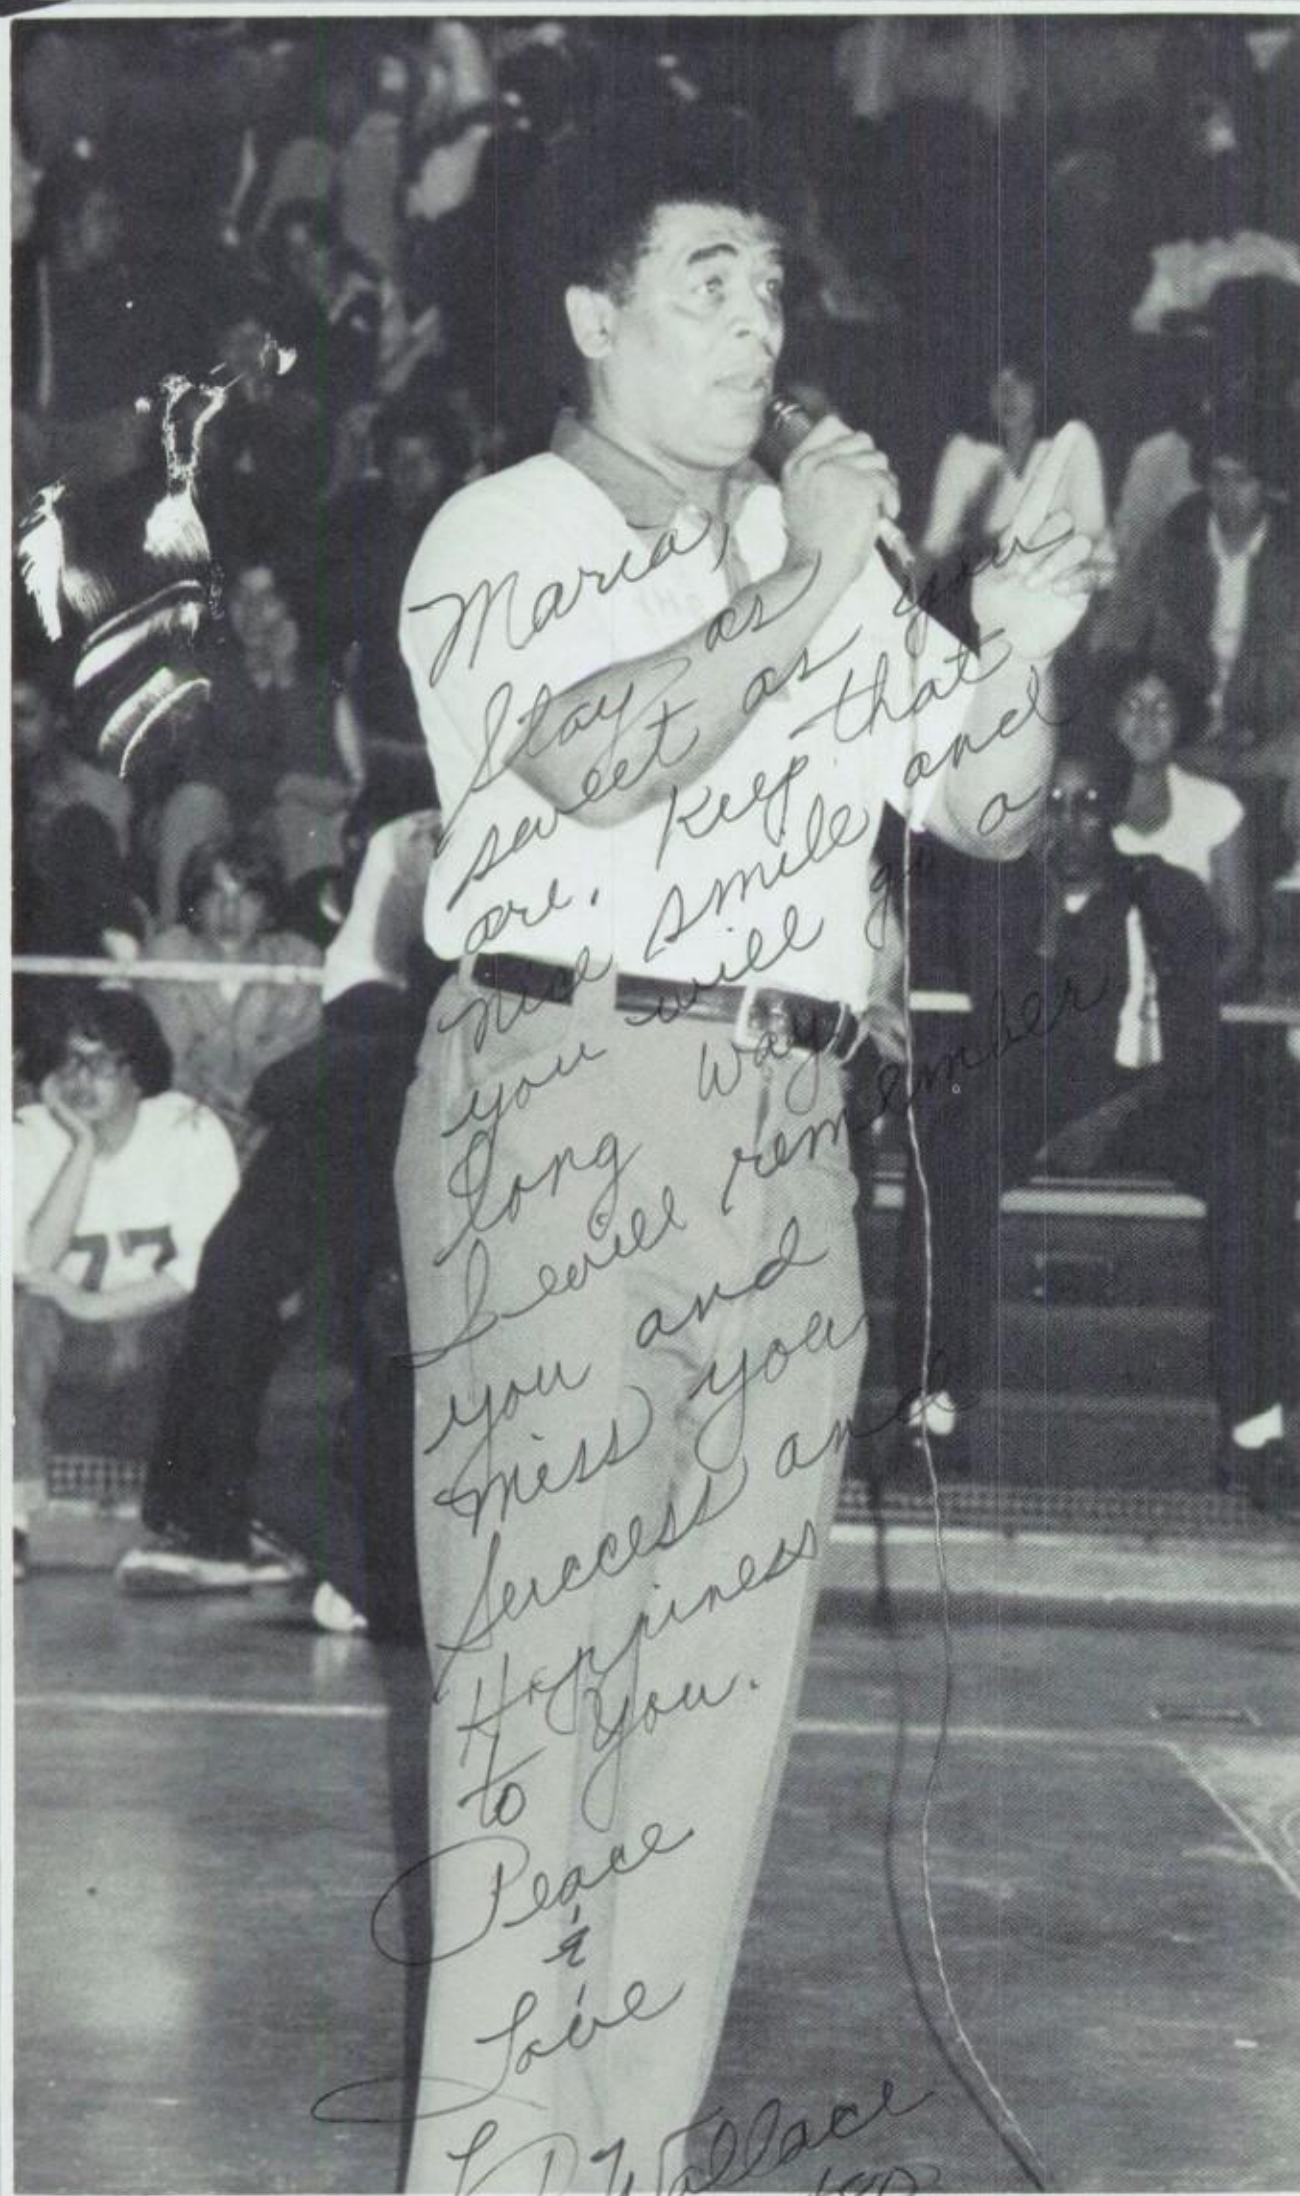

Principal

As your principal during your four years at Yonkers High School I have gotten to know much about you as individuals, and as the graduating CLASS of 1980. It seems fitting that you should look toward your future at the onset of a new decade. The next ten years will be the most challenging of your life time since you must accept the responsibilities and face the challenges of a fast paced world. The speed with which change and challenge occur will tax your confidence, so you must continue to prepare yourself for the difficult years ahead.

As individuals, you must acquire all the knowledge and experience you can to compete successfully in an increasingly competitive and inflationary world. While jobs may seem fewer, they are simply being transposed to more skilled and technically manipulated arenas.

My message to you, the CLASS of 1980, is to prepare yourself academically, socially, and to develop a keen sense of judgement that will enable you to succeed no matter what your endeavors.

## Dedication

The four years we spend in high school are sometimes trying, demanding, difficult and a frequently emotional period of time. To help us through these years, we look toward our friends, parents and teachers for guidance. It is rare that any one individual can fill all these roles to ease our path through uncertainty, but we have been fortunate to find that rare individual in you. You followed us through our freshman year and guided us toward that day we long awaited - GRADUATION. We will long recall your encouragement and persistence. For countless reasons, we, the Class of 1980, dedicate this copy of Blackboard to you, Lloyd Wallace.

Maria,  
Stay as  
sweet as you  
are. Keep that  
big smile and a  
long way  
I will remember  
you and  
miss you  
success and  
happiness  
to you.  
Peace  
&  
Love

## Kaori Abe:

You Brought  
The Orient  
To Yonkers High

Yonkers High has had the honor and pleasure of hosting its first foreign exchange student, Miss Kaori Abe. Kaori is a native of Tokyo, Japan, where she lives with her parents and brother. While in Tokyo she attended the high school affiliated with the University of Tokyo.

This past year Kaori has learned a lot about American life and the ethnic diversity of the students in Yonkers High School. While at Yonkers High she was an active member of the Y.H.S. swim team and developed a taste for "American food". She is an avid volleyball player and expert on Japanese origami. Kaori will return to Tokyo in July and we at Y.H.S. will miss her very much.

# CLASS HISTORY

As graduation approaches we, the **CLASS of 1980**, look back on our four years at "Yonker" High and recall some memorable moments.

Our sophomore year was marked by a long teacher's strike and numerous snow days, while gym classes looked like Penn Station at "rush" hour and even though classes became "co-ed" we all gravitated to our own side of the gym floor.

Our brief four years witnessed three changes of superintendents and three different Asst. Principals - Mr. Manello, Mr. Fintzy, and Mr. Greenbaum. As school politics and policy would have it, Yonkers High became the only school where a student needed a pass to get out rather than get into.

We finally had the rug pulled out from under us in the school cafeteria and the up-beat lingo of the times ranged from "daft" to "funky" and if we weren't "chilled out" we were "bugged out".

In our senior year, the J.R.O.T.C. program came to Yonkers High and the call was - "The Marines have landed!", just in time for the up-coming draft. Students never looked better in their spiffed up uniforms.

Everyone was influenced by T.V. specials **ROOTS** and **THE HOLOCAUST**. Hopefully their influence will out last ankle socks and Bo Derek braids.

In our junior year we had our **FRIDAY NIGHT FEVER** when the arena was transformed into a disco dance hall. The Unity Club knew where it was at!

Designer clothes were the "in thing". Our message to the world was either written on tee shirts or jeans and we were well read both coming and going.

Mr. Wallace guided us through our (Mr.) GREEN years and we will hear the latter's voice for years to come.

Black out or Black hole? Were we lost in space or did someone just turn out the lights? Whether in the dark early hours of morning or any other period of the day, handball marked the coming of Spring - and Winter and Fall.

School administrators phased out study halls and school efforts were coordinated as we made it through a week of Middle States Evaluation.

There was so much we experienced and were a part of - West Side Story, Guys and Dolls, Up with People, the Yankees, skate boarding, library security, spring concerts, motoramas and the rise of women's sports.

The most memorable event of course, was what we had waited four years for . . . . . **GRADUATION NIGHT.**

The 1980 **BLACKBOARD** staff  
would like to congratulate the graduating class  
of Yonkers High and to thank the following people  
for their guidance, assistance and cooperation  
in the production of this copy of **BLACKBOARD**:

Hello, Ricky!

"Faith is the Key to Heaven"

Oh, Father, grant once more to men  
A, simple, childlike Faith again,  
Forgetting color, race and creed  
And seeing only the hearts deep need....  
For Faith alone can save man's soul  
And lead him to a higher goal,  
For there's but one unfailing course--  
We win by Faith and not by force  
God be with you Always

TO MARIA,

I HAVE TO LIVE WITH MYSELF AND SO,  
I WANT TO BE FIT FOR MYSELF TO KNOW.  
I WANT TO BE ABLE AS DAY GO BY,  
ALWAYS TO LOOK MYSELF STRAIGHT IN THE EYE,  
I DON'T WANT TO STAND IN THE SETTING SUN,  
AND HATE MYSELF FOR THINGS I'VE DONE.  
I WANT TO GO OUT WITH MY HEAD ERECT,  
I WANT TO DESERVE EVERYONE'S RESPECT.  
FOR HERE IN STRUGGLE, FOR FAME AND SELF,  
I WANT TO BE ABLE TO LIKE MYSELF.  
I DON'T WANT TO ~~BE ABLE TO~~ LOOK AT MYSELF AND KNOW,  
THAT I'M BLUSTERED AND BLUFF AT EMPTY SHOW  
I NEVER CAN HIDE MYSELF FROM "ME;"  
I SEE WHAT OTHERS MAY NEVER SEE  
I KNOW WHAT OTHERS MAY NEVER KNOW.  
I NEVER CAN FOOL MYSELF AND SO,  
WHATEVER ~~IT~~ HAPPENS, I WANT TO BE  
SELF-RESPECTED AND CONSCIENCE-FREE.

LOVE YOU ALWAYS,
